### About TMI

Teaching Missions Intl. is a 501(c)(3) dedicated to providing to those church leaders who cannot afford, whether for lack of time or money, sound biblical reformed theological training to help them grow in God's grace and better lead their churches in their respective nations.

Collectively, we have experience teaching theology in both structured degree programs and stand-alone courses, e.g., biblical marriage, as well as virtual instruction, in India, Bulgaria, Ukraine, Cuba, Grenada, Haiti, St. Kitts, St. Vincent, St. Lucia, Argentina, Bolivia, Colombia, Mexico, Nicaragua, Hispanic communities in the US, Uganda and soon, Lord willing, other countries in Latin America, Africa and Southeast Europe. We have a passion for biblical Education and are convicted by Hosea 4:6, "My people are destroyed for lack of knowledge." We have dedicated our gifts to the Lord in closing the gap.

We are a cadre of Christians, working with other like-minded mission organizations, including Mission to the World

(MTW), Reformation Hope, Grenada Institute of Theological Education (GITE), and others.

### The Vision

While it can take years of training in language and culture skills to become a productive missionary, TMI can produce almost immediate results by training indigenous pastors and other leaders to make disciples in their nations.

### Support TMI

call at (706) 851-5089 or email us at [info@teachmi.com](mailto:info@teachmi.com) if you have questions. We're very grateful to the Lord for your support in the furtherance of the Gospel of His Kingdom.

### Join Us

If you, like us, have a passion for teaching reformed theology in a short-term mission model (1-2 weeks), we would love to talk with you. TMI provides the opportunity for current and retired pastors and missionaries or others with a strong background/education in reformed theology, to continue using their gifts. You don't need to uproot your family, raise

thousands of dollars of support, move to a foreign country, and spend years learning a new culture and

language before becoming an effective missionary. If you have contacts in or a burden for any nation where we don't currently minister, please let us know. We are always looking for new doors the Lord is opening and for new professors to teach in mission fields at home and abroad.
